THE PASTOR'S CHRISTMAS MESSAGE

For the entire Church, the Holy Year 2025 in which we were all called to be “Pilgrims of Hope” has been an especially significant year for Catholics due to the death of Pope Francis on Easter Monday, April 21 and the election of Pope Leo XIV on May 8. As I witnessed on my own Jubilee pilgrimage to Lourdes, Assisi and Rome, the crowds thronging these sacred sites were enormous, including many families and young people giving us all reasons to hope for the future. Also significant was the canonization of two young saints Carlo Acutis and Piergiorgio Frassati who afford wonderful examples for modern youth of lives centred on Christ. In October, St. Dunstan's was blessed to host Carlo Acutis' Eucharistic Miracles Exhibit which attracted many viewers from our parish and beyond. This event paved the way for our annual Solemn Exposition of the Blessed Sacrament in November. Now as the Jubilee comes to a close and we celebrate once again the Birth of the Saviour, let us reflect on the common English name for this great feast “Christmas” which means Christ's Mass or Mass for the Birth of Christ. The very name Christmas, then, reminds us that the Eucharist is at the centre of our celebration. Let us make the Eucharist our “highway to heaven” as Saint Carlo Acutis did. *Father Jeff.*

CHRISTMAS SEASON

Christmas which is the shortest of the Church's seasons, is liturgically rich and especially meaningful and beloved to the Christian people. It celebrates the birth of the Lord Jesus our Saviour and the ways He manifested the presence of God among us. For the Church, only the Easter celebration of the Lord's death and rising is more important. Christmas and its Octave centre on the great truth and mystery of the Incarnation ~ that God loves us and sent His only begotten Son in the flesh to redeem us that we might believe in Him and have eternal life. Epiphany celebrates Christ's manifestation to the world, represented by the wise men from afar. Jesus is announced as the Saviour of all people. The Christmas season and cycle ends with the Feast of the Lord's Baptism which continues the theme of Christ's manifestation as John the Baptist points Him out as the Lamb of God and the Father's voice is heard and the Spirit is seen as a dove, attesting to the Son's mission and identity.

ADVENT MOVIE SERIES

This Sunday, our final film in the series "Mother Teresa", an award-winning film by Canadian sisters Ann and Jeannette Petrie which is considered the definitive portrait of the 1979 Nobel Peace Prize winner who captured the attention of the world. Shot over a period of 5 years in 10 countries on 4 continents, and narrated by Richard

Attenborough, this 1986 film follows Mother Teresa into some of the most troubled areas of the planet. Movie critics Siskel & Ebert gave it "two thumbs up! wonderful...absolutely fascinating".
