

The Lord of hosts is with us; our stronghold is the God of Jacob. (Psalm 46:7)

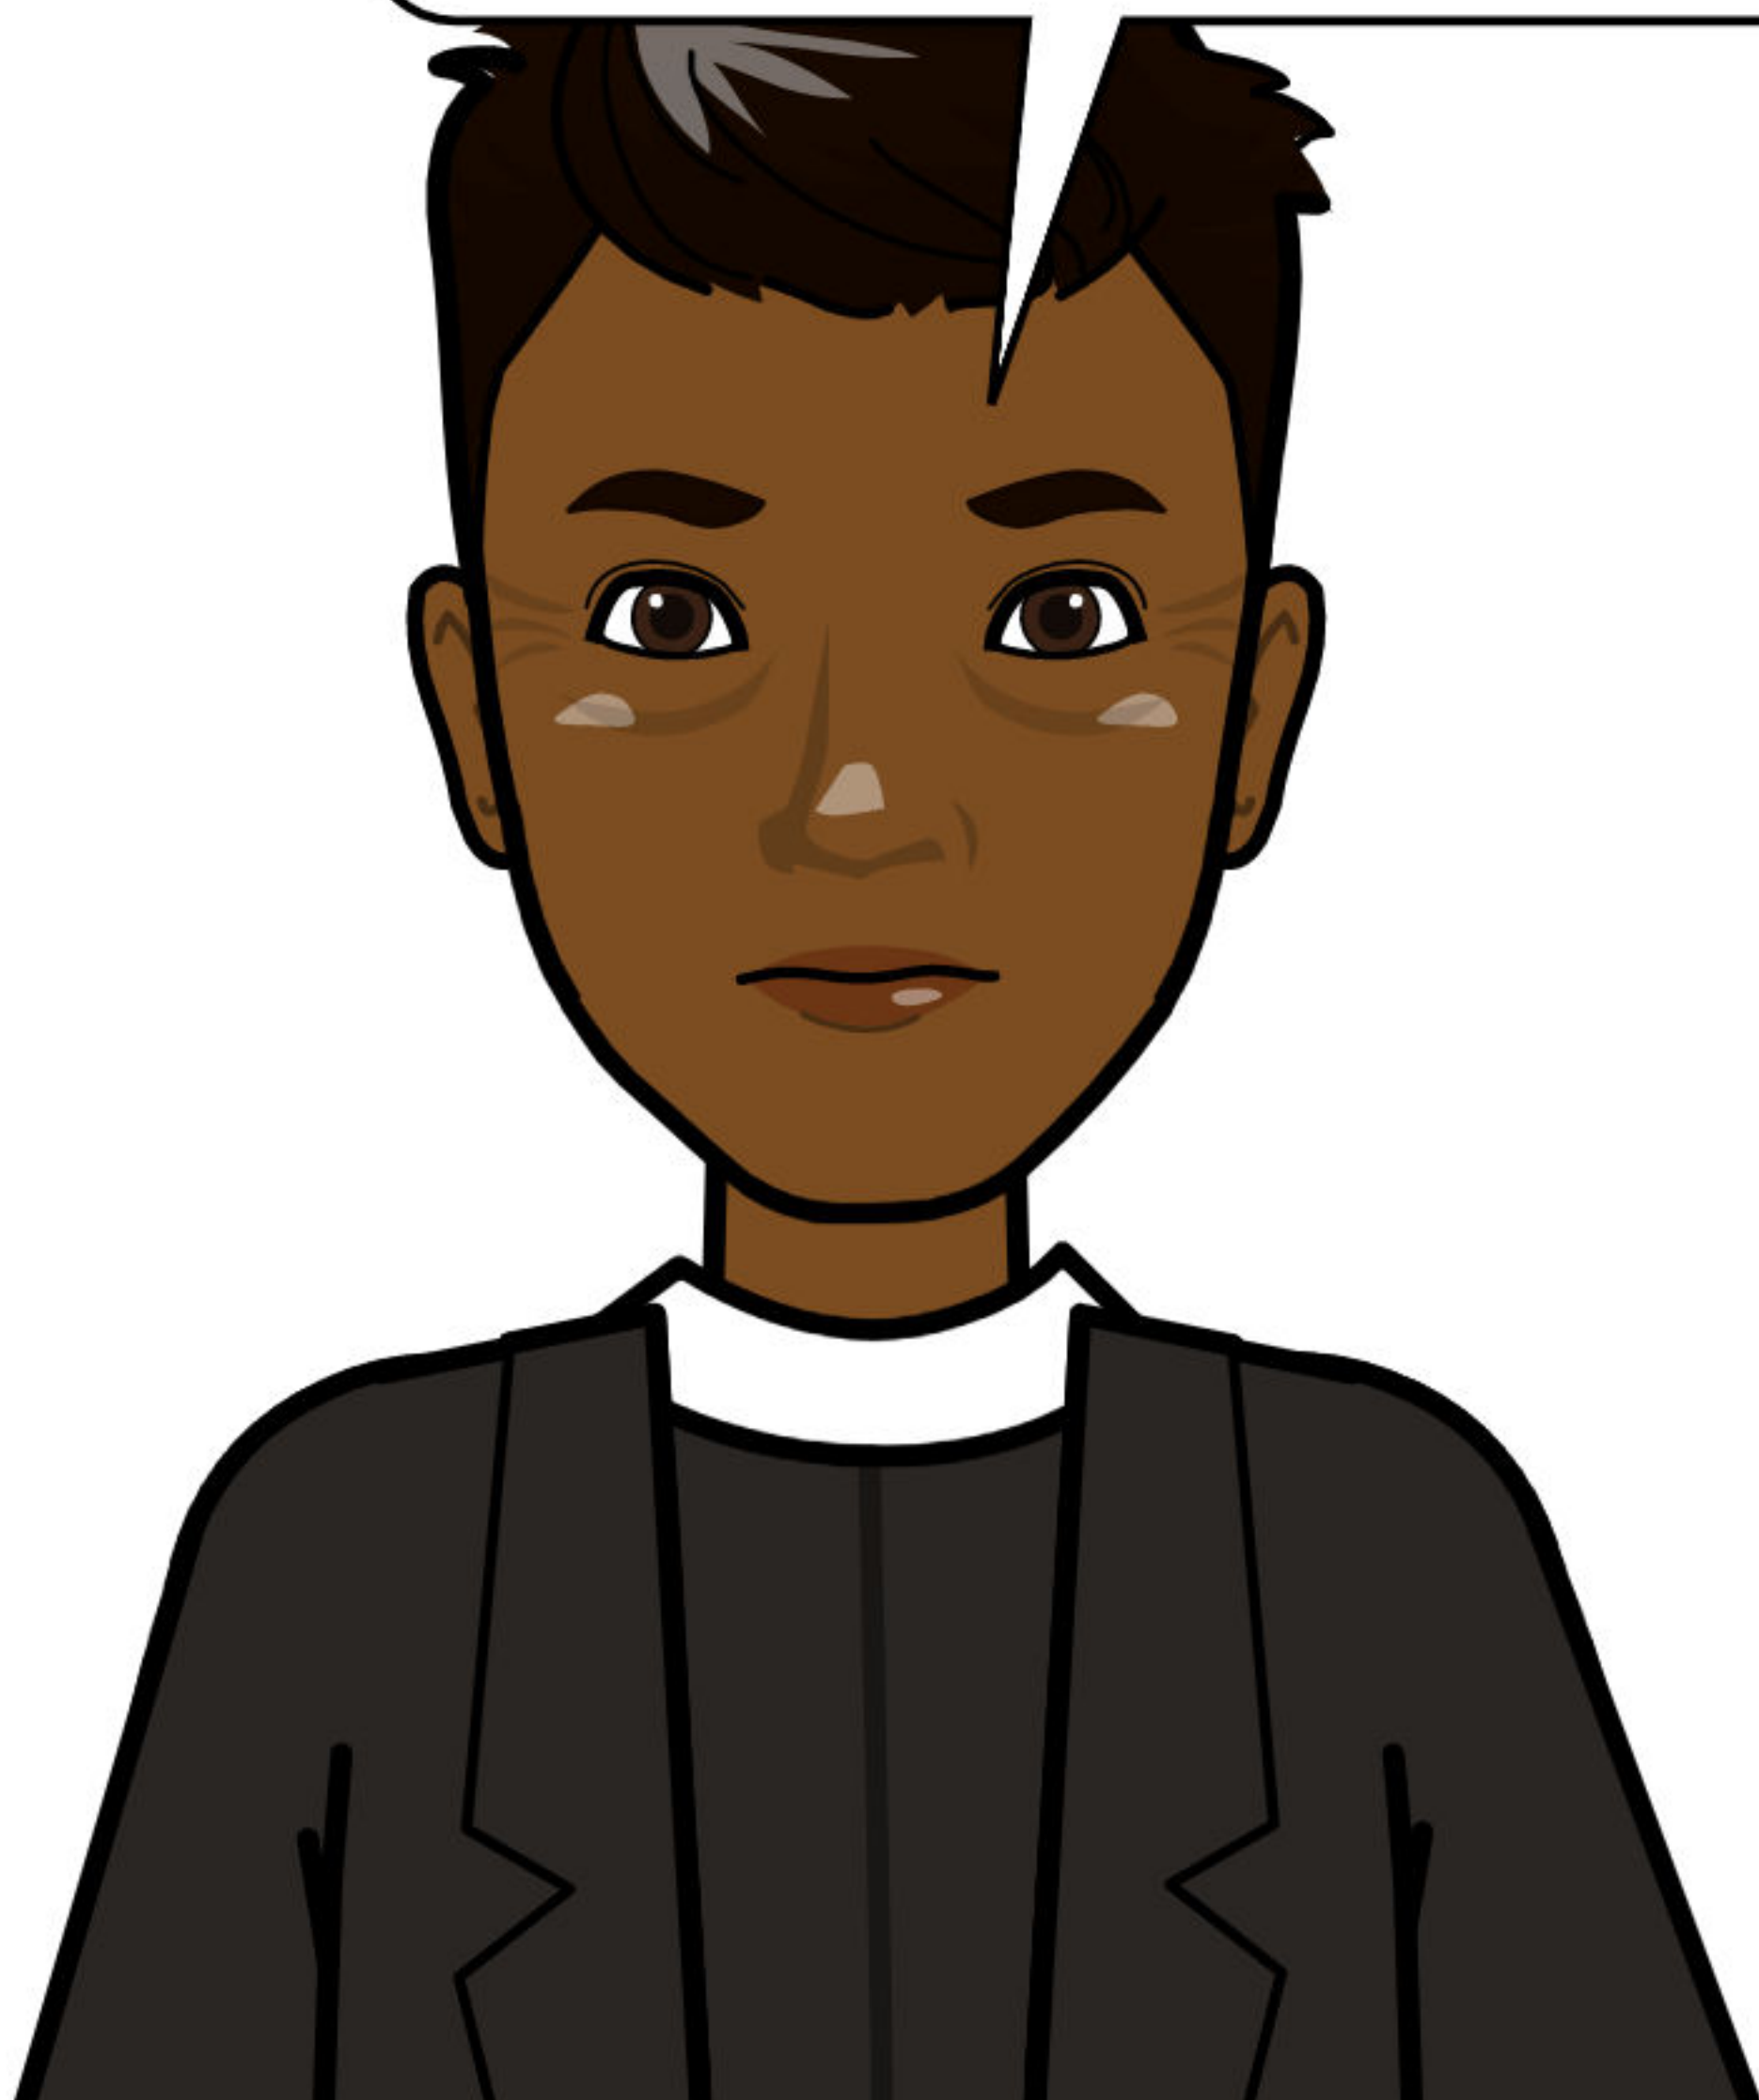

There are several things that have bothered us and made us have some concerns, particularly in the past one year. It has surely being a very challenging time for us all.

As we think of these, the Psalmist today reminds us not to forget He in whom is our trust: the Lord of hosts!

In other words, He who could save with power and might, no matter how tough the situation is.

He would rescue Jesus from death, raising him from the grave even when all hope seemed gone. Corragio my people! The Lord of host is with us!!
